NOTES

1. Buildings are normally to be cleaned, cleared & locked by midnight

2. Any linen used must be taken away, washed & returned within 2 days

3. The hire period commences when the hirer has access, and terminates when the hirer has vacated the building, leaving it in a fit state for the next hirer

4. Sound & Loop and Audio-Visual systems, and a Refrigerator are available and should be booked at the time of application

5. All electrical equipment brought onto the premises must be P.A.T tested

(Portable appliance testing (commonly known as "PAT", "PAT Inspection" or "PAT Testing") is a process in the United Kingdom, the Republic of Ireland, by which electrical appliances are routinely checked for safety. Regulations require that electrical appliances are safe to prevent harm to workers. Evidence of testing must be clearly visible to workers in the form of "passed", "tested for electrical safety" labels affixed to various parts of the electrical equipment used.)
